

Potrero Library Campaign

Building better libraries for stronger communities.

Calling all artists.... ...the Potrero Library needs your help!

Donate a piece of your artwork to raise funds for the Potrero Library Campaign. We are raising money for furniture, fixtures, and equipment to complete the renovations for the branch. A silent Art Auction will be held on April 12, 2008 at St. Gregory's of Nyssa, 500 DeHaro Street.

Deadline for Submissions: April 4, 2008.

All submissions which are pictures or paintings must be sturdily framed, ready to hang with picture wire securely attached, with the artist's name and minimum bid price for the piece attached firmly to the submission. Each artist can submit an "artist information" sheet on standard letter-size paper (8 1/2 X 11" front and back) that will go into a binder, which will be available for the public to peruse.
